This Improvised Life

The stories of a lifetime told in an instant.

Seattle, Wa—Everyone has a story. Wing-It Productions is proud to present the first show of its 2009 Season—*This Improvised Life*. *This Improvised Life* will take real experiences from the audience, and then combine video, writing and comedy to create smart, funny and poignant stories live on stage. *This Improvised Life* will feature contributions from Seattle's smartest writers and comedians, with the audience supplying a different theme for each week.

This Improvised Life is created and directed by Ian Schempp, creator of 2008's acclaimed *Shades of Gray*, and co-creator of *Suave* and *Wallflowers*. He describes *This Improvised Life* as, "A show whose focus is on pure storytelling, and which will involve the audience in as intimate a way as possible."

The talented cast of *This Improvised Life* includes: Eli Boer, Gabe Denning, Graham Downing, Belinda Fu, Jana Healy, Conner McNassar, and David Rollison.

This Improvised Life performances are Thursdays and Fridays January 2nd through January 23rd and February 5th through February 13th at the Historic University Theater at 5510 University Way NE, with a preview at 8pm on January 2nd. Tickets are \$10 (GA) and \$9 for students and seniors.

Wing-It will host an **Opening Night Show and Gala Thursday January 8th**.

Champagne and Cake will follow the show, with an opportunity to speak with the cast and crew, as well as members of Wing-It Productions.

For more information on *This Improvised Life*, or to purchase tickets visit www.wingitpresents.com.

This Improvised Life is brought to you by Wing-It Productions, a 501(c) 3 non-profit organization dedicated to enlightening, educating and entertaining audiences of all ages by producing theatrical events which explore theater by utilizing its improvisational roots.
