Danger is their middle name

Men of Action is a thrillingly improvised play of forgotten cities, ancient relics and deadly adversaries. Styled after the adventure serials of the 1930s and “Raiders of the Lost Ark”, *Men of Action* centers on two adventurers - Paul Newcastle (played by Jon Axell) and David Duffy (Jeremy Brown) - as they attempt to keep rare antiquities out of enemy hands.

Men of Action features a new relic and enemy each night, chosen by the audience. Each performance the cast will create completely new plots and characters. No two nights will ever be the same.

Men of Action is created and directed by Mike Christensen. Costumes are by Jeannine Clarke.

Men of Action features an all star cast of Seattle's premiere improvisers and actors: Chris Allen, Jon Axell, Jeremy Brown, Jeannine Clarke, Graham Downing, Dusty Lee, Jen Rizor, Phoebe Richards, Erin Plischke, and Dan Zertuche.

Men of Action performances are at 8pm on Thursdays and Fridays August 5th to the 20th and September 2nd to the 17th at Wing-It Productions at 5510 University Way NE.

Tickets are \$10-\$14.

Men of Action is brought to you by Wing-It Productions, a 501(c) 3 non-profit organization dedicated to enlightening, educating and entertaining audiences of all ages by producing theatrical events which explore theater by utilizing its improvisational roots.
