Rudolph: The Next Verse is a comedic look at a favorite holiday story, as we discover what happens to Rudolph after that fateful stormy night. Each night *Rudolph* will be narrated by an audience-interactive computer-animated snowman, who will take suggestions from the audience to create the next chapter of Rudolph's tale. A completely different show will be created every night. No two performances will be the same.

Rudolph is created and directed by Andrew McMasters, whose goal is to "have a holiday show that really looks at the Rudolph story in a new way. There's a lot of the same holiday plays being performed every year-there's very few modern holiday shows. Rudolph is a new show that is funny and smart, and that it's okay to bring the kids to."

The cast of *Rudolph, the Next Verse* is: Dave Clapper, Chris Hamilton, Guy Nelson, Wayne Pishue, Jenny Schmidt, Byran Sullivan and Elizabeth Westermann

Rudolph: The Next Verse performances are at 8pm on Thursdays and Fridays December 2nd to the 23rd and matinees December 11th and 18th at 2pm. All shows are at Wing-It Productions at 5510 University Way NE. **Tickets are \$10-\$14.**
